

# SafeGuard ®

**Integrated Child Seat**

- 5-point harness protection
- Full compartmentalization
- Unsurpassed safety and comfort
- Trouble-free maintenance and serviceability
- Designed and tested by the leader in child passenger safety
- Meets or exceeds all federal and state safety standards

Now fits children  
**up to 85 lbs. and up  
to 49" in height !**

SafeGuard Integrated Child Seats are the only seats that provide 5-point harness protection and full compartmentalization. With more **safety, comfort, and convenience** features than any other bus seat in the world, SafeGuard Integrated Child Seats are the smart choice for transporting the children in your care.

**The Most Advanced Protection for your Child**

# SafeGuard

## Integrated Child Seat

- o **5-point restraint** easily adjusts to provide a proper, secure fit for children 22 to 85 lbs. and up to 49" in height.
- o **Patented SmartFrame™** makes SafeGuard Bus Seats the only bus seats that offer full compartmentalization and child restraints.
- o **Seat cushion folds** under itself for added comfort, elevation, and cleanliness.
- o **Pad is washable** and replaceable.
- o **Interchangeable seat module** makes future upgrades convenient and hassle-free.
- o **Longer restraint webbing** to accommodate larger students and bulky clothing.
- o **Seats fold easily away**, are always accessible, and eliminate the need for add-on restraints.
- o **Available on** new buses and as replacement seating for existing buses.
- o **Made by the recognized industry leader** – other integrated child seat manufacturers install SafeGuard seat belt systems and components in their seats.
